

The 2021-2022 school year is upon us! I am very excited to begin another year as principal of Guernsey-Sunrise Schools. I plan to continue the successful initiatives that have been in place for the past couple of years with a heavy focus on reading and citizenship skills. I am looking forward to seeing our hard work pay off!

We would like to welcome our new staff members Scottina Haase 3rd Grade, Denise Grant Special Education, Lori Ibarra Community Education, and the following paraprofessionals: Laura Burfeind, Reva Falen, and Tami Foos.

As we prepare to begin the school year, there are some important upcoming events that everyone should be aware of: Back to School Night/Parent Appreciation Night, August 30th and then the moment we have all been waiting for, the first day of school on August We 25th!

If you have any questions or concerns about the upcoming school year, please feel free to call me at the school or contact me via school email.

I am invested in the Guernsey community and the Guernsey-Sunrise School system. I am truly excited for this school year and the future of our students! I believe our students deserve the best education possible, as they are the future of our community!

Engage. Inspire. Invest.
