2016-17 School Year

DISCLAIMER

This comprehensive plan was developed by the Wyoming Department of Education (WDE) in cooperation with AdvancED Wyoming to align state and federal plan requirements to a common framework. This document meets the requirements of both the WDE and AdvancED for school continuous improvement.

COMPREHENSIVE PLAN DIRECTIONS

Writing Plans

There are three domains: Teaching and Learning, Leadership Capacity and Resource Utilization. For each domain:

1. ASSESS NEEDS

- Read related research, evaluate student performance and stakeholder survey data, and self-evaluate using the AdvancED rubrics to rate the level of implementation for each indicator as needs improvement, acceptable, or effective practice, or 1, 2, 3 or 4.
- Indicators rated as **Level 4 on the AdvancED rubric are effective practices**. Indicators rated as **3 are acceptable**. Indicators rated as **1 or 2 are needs improvement**.

2. STATUTORY ASSURANCES

- Review the statutes aligned to the indicators to ensure the school is meeting the requirements of Wyoming statute and applicable Federal statutes. [Statutory authority](#) is included in a separate document.

3. SUMMARY OF PRACTICES

- For indicators marked as Effective Practice, Title 1 Plan and School Improvement Grant (SIG) requirements, schools will write a summary of the school's approach to implementation of the applicable requirements. All schools may have effective practices and all schools may write summaries for any or all indicators, even those not marked as an Effective Practice.

4. IMPROVEMENT PLANS

- Based on the needs identified, write an improvement plan for each domain. All schools are required to complete improvement plans every five years for accreditation. All schools write improvement plans annually if required by state and/or federal statute. At least one of the improvement goals should reflect the intent to improve WAEA indicator scores.
- Plans for small schools (those that don't receive a school performance rating) should address all WAEA indicators.

Plan Submission

- Submit plans to the district superintendent for signature. Plans that require board approval will also be signed by the district board chairman.
- Post the signed plan on the district web site in .pdf format or as a view-only shared file.
- Send a link to Accreditation Consultant/Dianne Frazer at the Wyoming Department of Education (WDE) annually by November 1. (Dianne.Frazer@wyo.gov)
- Upload plan through the AdvancED Assurances in ASSIST every five years for accreditation.

WDE Representative Assistance

- The plan template is currently available from WDE in Google Docs and as an Adobe Acrobat Form. Plans can be converted to Microsoft Word. Plan templates can be developed in other collaborative formats if necessary.
- WDE representatives will work collaboratively with schools using Google Docs (or another collaborative format) to develop school plans as required by W.S.21-2-204(f).

DOMAIN 1: TEACHING AND LEARNING

AdvancED Standard 3: Teaching and Assessing for Learning

Standards and Curriculum (3.1)

<p>The school’s curriculum provides equitable and challenging learning experiences that ensure all students have sufficient opportunities to develop learning, thinking, and life skills that lead to success at the next level. (3.1 Rubric)</p>	<p>Acceptable</p>
---	--------------------------

YES	The school provides educational programs sufficient for all students to meet uniform content and performance standards in all areas of the common core of knowledge and skills. (Wyoming)
YES	The school has adopted and implemented strategies to monitor the teaching of standards. (Wyoming)
YES	Instruction is provided in the essentials of the state and federal constitutions. (Wyoming)
YES	If applicable, all Hathaway Scholarship Program course requirements, including the Eighth Grade Unit of Study and Hathaway Success Curriculum, have been met and implemented. (Wyoming)
N/A	If applicable, the school is providing foreign language instruction in grades K-2. (Wyoming)
YES	If applicable, Career Technical Education courses are offered in a three-course sequence in grades 9-12. (Wyoming)

Summary of Practices:

For the 2016-2017 the school has a new principal and a second year superintendent. We are still in the process of aligning our K-12 curriculum which will meet state standards. We are finalizing our K-12 Mathematics curriculum and re-evaluating our Reading/ELA curriculum to ensure its alignment to the state standards. Course offerings in high school include core classes, concurrent courses with Eastern Wyoming College, fine and practical art electives, and CTE courses with a strong emphasis in the areas of welding and culinary skills. We also offer Spanish as our foreign language, which is available to students in grades 9-12.

Monitoring and Adjusting Curriculum, Instruction and Assessment (3.2)

Curriculum, instruction, and assessment are monitored and adjusted systematically in response to data from multiple assessments of student learning and an examination of professional practice. [\(3.2 Rubric\)](#)

Acceptable

Summary of Practices:

As of the 2016-2017 school year, all high school teachers are in the process of developing and aligning curriculum using a Web-Based curriculum template. Curriculum development includes standards based instruction and assessments. Beginning in January 2017, subject specific experts will begin the process of aligning curriculum to the standards for Reading/ELA and assessing the curriculum work that was done for Mathematics. By May 2018, work will be finalized on vertical alignment of K-12 curriculum.

Instructional Strategies that Engage Students (3.3)

Teachers engage students in their learning through instructional strategies that ensure achievement of learning expectations. [\(3.3 Rubric\)](#)

Acceptable

Summary of Practices: For the 2016-2017 school year, the high school staff is receiving Professional Development on CRISS strategies and implementing the Project CRISS strategies in their daily lessons. This was based upon a needs assessment conducted in the spring of 2016. Starting second semester of the 16-17 school year, during our PLC time, the staff will be discussing the strategies that have been used and evaluate its effectiveness with student engagement.

Instructional Leadership (3.4)

School leaders monitor and support the improvement of instructional practices of teachers to ensure student success. [\(3.4 Rubric\)](#)

Acceptable

Summary of Practices: For the 2016-2017 school year, the high school staff is receiving Professional Development on CRISS strategies and implementing the CRISS strategies in their daily lessons. This was based upon a needs assessment conducted in the spring of 2016. Starting second semester of the 16-17 school year, during our PLC time, the staff will be discussing the strategies that have been used and evaluate its effectiveness with student engagement.

Collaborative Learning Community (3.5)

Teachers participate in collaborative learning communities to improve instruction and student learning. [\(3.5 Rubric\)](#)

Acceptable

Summary of Practices: PLC time is dedicated once a week for one hour. For the 2016-2017 school year, the PLC time has been dedicated to analysis of our NWEA Maps testing, Project CRISS strategies, Curriculum alignment and a book study around the book “What Great Teachers do Differently” by Todd Whitaker. Starting in January 2017, the PLC time will also be used for the collaborative work of establishing our MTSS system and the work on our Reading/ELA curriculum alignment.

Instructional Process (3.6)

Teachers implement the school’s instructional process in support of student learning. [\(3.6 Rubric\)](#)

Acceptable

Summary of Practices: The district leadership team is in the process of finalizing and submitting an Instructional Framework to the school board for implementation at the start of the year. This Instructional framework is based upon the work done by Project CRISS and aligns with the Professional Development done this school year. With this instructional framework in place, the work done by our teachers with Project CRISS will be greatly enhanced. Part of this process will include the use of the AdvancED ELEOT tool to gauge the level of engagement for our students.

Mentoring, Coaching and Induction (3.7)

Mentoring, coaching, and induction programs support instructional improvement consistent with the school's values and beliefs about teaching and learning. [\(3.7 Rubric\)](#)

Acceptable

YES

The school employs qualified instructional facilitators to provide professional development, teacher mentoring and educational leadership based on identified needs and school improvement planning. (Wyoming)

Summary of Practices: Guernsey-Sunrise school is in the second year of its mentorship program that was developed in the fall of 2015. With a new principal, this program has evolved into monthly meetings with the new teachers and a plan to revamp the mentorship program for the 2017-2018 school year.

Guernsey-Sunrise School also employs a full time Instructional Facilitator to assist new and veteran teachers improve in their content area.

Family Engagement (3.8)

The school engages families in meaningful ways in their children's education and keeps them informed of their children's learning progress. [\(3.8 Rubric\)](#)

Acceptable

YES

Parent contact procedures and history regarding unexcused absences and student misconduct resulting in suspension is documented (Wyoming)

Summary of Practices: Guernsey-Sunrise School uses PowerSchool as our data management system. Students and parents have the ability to access student grades and attendance.

Teachers also contact parents via phone calls, email, and mail. We also host open Parent/Teacher Conferences in the fall and spring semesters.

With the 2016-2017 school year, the principal has had monthly parent meeting to try and establish a Parent Accountability Committee. The purpose of these meetings has been information driven with a goal of doing a Book Swap library in the commons and a drive to get more parent volunteers into the classroom.

Student Advocacy Structure (3.9)

<p>The school has a formal structure whereby each student is well known by at least one adult advocate in the school who supports that student’s educational experience. (3.9 Rubric)</p>	<p>Acceptable</p>
---	--------------------------

Summary of Practices: 9-12 students are enrolled in a thirty-minute Viking period three times per week. During this time they work with their Viking period teacher on character development and test preparation, and receive academic support as needed. At the start of the 2016-2017 school year, through a grant, the school brought Rachel’s Challenge, an organization with a focus on students becoming more empathetic towards other students and the staff has started implementing the Rachel’s Challenge curriculum. The School Counselor has started a “Friends of Rachel” group of students willing to help other students.

Grading and Reporting (3.10)

<p>Grading and reporting are based on clearly defined criteria that represent the attainment of content knowledge and skills and are consistent across grade levels and courses. (3.10 Rubric)</p>	<p>Acceptable</p>
--	--------------------------

Summary of Practices:

Professional Learning (3.11)

All staff members participate in a continuous program of professional learning. (3.11 Rubric)	Acceptable
---	-------------------

YES	The school has developed and implemented a professional development plan that focuses on the development and implementation of standards and standards-based assessments, the instructional and student learning uses of technology, individual school improvement goals, assessed needs based on documented student results, and individual professional development goals. (Wyoming)
YES	The school provides annual training to all school personnel concerning discrimination, confidentiality, and occupational exposure to blood-borne pathogens. (Wyoming)

Summary of Practices:

In an effort to provide continuous professional learning, the district has enlisted the services of teaching and curriculum expert, Maureen Ryff with Project CRISS, to provide professional development in areas of identified need to all teachers during weekly professional development opportunities.

In the area of curriculum development, 75% of the staff attend a day long training in Cheyenne with Dr, Anthony Muhammed.

In the area of data interpretation, 11 staff members attended the WDE data training in Lusk, Wyoming.

In January 2017, those same 11 will be attending training with Jan Hoough on standards based grading and assessments.

In August, all staff is required to complete training in regards to OSHA, FERPA, and HIPPA regulations as they pertain to federal law.

Learning Support Services (3.12)

The school provides and coordinates learning support services to meet the unique learning needs of students. (3.12 Rubric)	Acceptable
--	------------

YES	The school is providing for the needs of all gifted and talented students through enrichments in regular instruction, enrichment programs, advanced or challenging courses, extension periods, etc. (Wyoming)
YES	The school follows district policies and procedures for identifying and intervening with at-risk students and preventing at-risk behavior. (Wyoming)
YES	The school implements programs that include planned strategies for intervening with students who fail to demonstrate proficiency on the standards. These include extended day and extended year programs and certified tutors. (Wyoming)
N/A	Title I targeted assistance programs avoid removing children from the regular classroom during regular school hours for instruction provided under Title I. (Federal)
YES	The school meets the educational needs of historically underserved populations. (Federal)

Summary of Practices: Students experiencing difficulty in mastery of standards are given support utilizing a student intervention team. The team meets to determine appropriate intervention strategies to assist the student. Should the student require further assistance, a building intervention team is available to look at more intensive means of meeting the student’s academic needs. Our school library is staffed before and after school and in the evening hours to provide academic support for students.

AdvancED Standard 5: Using Data for Continuous Improvement

Student Assessment System (5.1)

The school establishes and maintains a clearly defined and comprehensive student assessment system. (5.1 Rubric)	Acceptable
--	------------

YES	The school implements the district assessment system to measure student performance relative to the uniform state content and performance standards. The system is designed so that all students have equality of educational opportunity to learn the content and skills represented in the standards and to the level established by the performance standards. (Wyoming)
------------	---

Summary of Practices: Guernsey-Sunrise High School uses multiple assessments--ACT Suite, NWEA-MAP, and teacher generated summative assessments.

Collecting, Analyzing and Applying Learning from a Range of Data Sources (5.2)

Professional and support staff continuously collect, analyze, and apply learning from a range of data sources, including comparison and trend data about student learning, instruction, program evaluation, and organizational conditions. (5.2 Rubric)	Needs Improvement
---	--------------------------

Summary of Practices: Assessment data is available to staff; however, using all data sources in a manner that drives instructional practice is a building initiative. The instructional facilitator will play a large role in the compilation of data and will then work with teachers to identify learning plans for students using research based, best practices.

Training in the Interpretation and Use of Data (5.3)

Professional and support staff are trained in the evaluation, interpretation, and use of data. (5.3 Rubric)	Needs Improvement
---	--------------------------

Summary of Practices: In early November, 11 staff members attended training provided by the WDE on data interpretation and root cause analysis. The information learned has been brought back to the staff and presented. The process will become a part of our data interpretation for our winter NWEA Maps testing.

Determining Verifiable Improvement in Student Learning (5.4)

The school engages in a continuous process to determine verifiable improvement in student learning, including readiness for and success at the next level. (5.4 Rubric)	Acceptable
---	-------------------

Summary of Practices: Our school utilizes NWEA MAP student data as well as the WAEA performance report to determine improvement and achievement in student learning. MAP is

given to students during the fall, winter and spring testing windows to provide adequate opportunities for measurement of improvement.

Communicating School Performance (5.5)

Leadership monitors and communicates comprehensive information about student learning, conditions that support student learning, and the achievement of school improvement goals to stakeholders. [\(5.5 Rubric\)](#)

Acceptable

Summary of Practices: This year, the district administration put together a comprehensive community report, with data from ACT, NWEA and PAWS results from the previous year. This report was approved by the school board in November and is now on our website. Copies of the report will be made available at all school district functions. The administration is also developing a plan to publically present this data to the community through a back to school night in August and the information has been shared with the attendees of the Parent Accountability Committee.
