January 2018

Principal's Message

Happy New Year!!! Welcome back to the 2nd semester of this school year. I hope your Christmas holiday was restful and peaceful. As we move forward this year, there will be several opportunities for students and parents to get involved in what we are doing at Guernsey-Sunrise Schools. This is a very exciting time and our goals remain the same: Excellence in everything, every student, every day!!

School Information:

Students are preparing to take the WY-TOPP state test in the coming weeks. This is the new state assessment adopted earlier this school year. The WY-TOPP can be administered three times a year, and we will be participating fully in what the state calls the Winter Interim assessment. This is an excellent opportunity for us to see how our students "measure up" to other students in the state. The test is online and if you would like more information you can go to: <https://edu.wyoming.gov/educators/state-assessment/wy-topp/>
