Dear Guernsey-Sunrise Parents & Guardians,

Our parent teacher conferences are scheduled for Monday, October 26th and Tuesday, October 27th in the evenings from 4-7pm. These conferences will look much different this year, much like many things that have been happening around us.

The school district is opting to do zoom/phone conferences to discuss the education of your student(s). If the teachers have questions or concerns about your child, we will be contacting you to set up a zoom. However, if you did not receive an email/phone call, you are welcome to request a conference by simply contacting your child(ren)'s teacher(s) and working to schedule a mutually agreeable time. Since the conference dates are rapidly approaching, we ask that you let us know as soon as possible should you be requesting a conference.

Again, with so many changes we request your flexibility and understanding during conferences this year. If you do not want to set up a direct conference we will have a "zoom room" open during conference time for you to pop in and chat with your child(ren)'s teachers. That schedule will be released by administration closer to conference time.

Thank you for your cooperation and support and we look forward to visiting with you during conferences.

Sincerely,

Guernsey-Sunrise Educational Staff
