

## Title I Parent Compact

Our goal in Title I is to provide instruction in the basic areas of reading and math, and to provide each student with accelerated and challenging materials. Each student will be expected to meet the same changing standards that our school approves for all students. We believe all students can be successful as home, school, and community work together in the best interest of the student. Please sign and return to the elementary office, Mrs. Frederick or Mrs. Garner.

As a student....

I promise to...

Ask for help when I need it

Be respectful
