

COMMITMENT TO ACCOMPLISH

The District will . . .

1. Develop program outcomes and assessments for elementary, middle, and high schools in all knowledge areas.
2. Align the existing and future curriculum guides to the District-developed program outcomes in all knowledge areas.
3. Provide adequate facilities, staff, and instructional materials to improve student achievement for all students in the District.
4. Provide the community with an accurate and complete description of the capabilities and skills of graduates from the district, in accordance with student exit outcomes.

Adoption Date: 11/9/09
