

AUTHORIZED SIGNATURES

All warrants and checks drawn on the district's treasury will bear the signature of the board treasurer or clerk and board chairperson except that checks drawn on the cafeteria fund, activities fund, and revolving account, if there is such fund or account, may bear the signature of the superintendent instead of one of the above listed officers of the board.

The board authorizes uses of facsimile signatures of these board members. In accordance with Wyoming law, these facsimile signatures will be registered with the Secretary of State and all other precautions observed.
