

EMERGENCY CLOSING OF SCHOOLS

In the event of an emergency school closing, the following procedures will be followed in order to insure the safety and welfare of each student in this district.

1. Radio Stations KYCN - Wheatland, KGOS - Torrington, KMOR - Scottsbluff, KTWO Casper, KOAQ - Scottsbluff, will be utilized for the purpose of informing patrons of District #2 about decisions relating to school closing. These reports will be given as early as practical on days when school will not be held. The same stations will also be utilized to announce emergency closing that occurs during the school day.
2. Dispersal of students:
 - a. All pupils will be kept at school if conditions such as blizzards or snow storms warrant. The building will be supervised by all available staff members under the direction of the building principal.
 - b. Rural children will be kept at school when weather or natural conditions prohibit the safe operation of buses outside of town. Rural children will be placed in designated city homes, if possible. (Early in the school year rural parents will be asked to designate a friend or relative willing to take this responsibility.) If necessary, the National Guard will be contacted for blankets. Food will be supplied, if necessary, through the school lunch program.
