

CURRICULUM GUIDES AND COURSE OUTLINES

Curriculum guides shall be provided for all subject areas. These guides shall present at least a minimal outline for instruction and a basis for further development of the particular subject area.

Curriculum guides and course outlines will be developed to reflect the needs of the district.

The guides shall be designed to assist all users in strengthening and in clarifying their philosophy regarding the teaching of a subject, and will, when possible, suggest a variety of possibilities for instruction, patterns of individualization, variations of approaches, and materials.

Guides shall be organized into a curriculum manual for the Junior High School, the High School, and for the Elementary School.
