

PATRIOTIC EXERCISES

Principals are encouraged to have a patriotic exercise at the beginning of each school day and to open assemblies, athletic contests and other school activities. In all classrooms grades K-6 at the beginning of the first regularly scheduled class or activity period, the Pledge of Allegiance to the flag of the United States of America will be given.

No one will be required to salute the flag if it is against his/her beliefs.

The words and meaning of the Pledge of Allegiance and the National Anthem shall be taught to all students in the intermediate level
