KINDERGARTEN READINESS

Platte County School District #2 Board of Trustees directs the administration to establish a process to approve or deny requests for students who wish to enter kindergarten and their fifth birthday falls on or between August 2nd and September 15th.

The parent or guardian of a student whose birthdate falls on or between August 2nd and September 15th can request the principal conduct a kindergarten readiness assessment to determine eligibility for kindergarten. Based on the pupil's kindergarten readiness assessment score, the principal and classroom teacher will determine whether the pupil is prepared to be admitted.
