

## STUDENT FEES, FINES, AND CHARGES

The school shall not assess instructional fees. Books will be provided on a loan basis; no rental fees will be assessed for textbooks and workbooks used in the classroom or for reference.

Students participating in activities which are not required by the teacher or used in the determination of a grade may be required to pay charges covering the cost of the activity. These charges may include, but are not limited to, admission fees, food costs, and transportation costs on field trips. Costs of major projects in wood or craft classes, when the item produced will be retained by the student, will be paid by the student. However, it is incumbent upon the teacher and principal to make every effort to be sure no student is denied the right to participate in trips or enrichment activities because of lack of funds.

All students participating in extra-curricular activities will be assessed a one time fee of \$25.00 for the year. This fee will include all activities for that year.

Students using a musical instrument that belongs to the school will be charged an annual fee of \$25.00 for the use of the instrument.

Pupils will be assessed fines for lost, damaged, or defaced books, including library books, materials, or equipment. The fines will be for the amount of the loss or for the actual replacement cost.

Fines for damage to school property shall be assessed at a reasonable rate, designed to restrain further damage.

All credits, report cards, and grades will be withheld, and transcripts will not be forwarded until proper settlement of fines, bills, or assessments is rendered.
