

## STUDENT SOCIAL EVENTS

The Board believes that social events should provide opportunity for social growth. School facilities may be used by school groups and classes to hold social events for their membership.

The Principal and teaching staff will approve and evaluate social activities in terms of their contributions to student growth and morale.

Chaperones shall be provided for social events under the direction of the Principal.

Except as noted in IGDC-R all social events may be organized so as to divide activities for junior high school students from social functions for the senior high students.
