

Little Vikes Discovery Backpacks

Your child has an opportunity to check out and bring home a **Discovery Backpack**. Each backpack will contain theme related books and materials for you to enjoy with your child at home. The backpacks will go home on a monthly rotating basis.

Discovery Backpacks are designed to have fun and interactive ways for families to share literacy and learning experiences at home through reading, vocabulary, ABCs, STEM (Science, Technology, Engineering, Math) activities, art, fine motor, gross motor, educational tools/games, etc. Please discuss with your child the importance of being responsible and taking good care of the backpack contents.

Please return the backpack at the monthly preschool hour or to Mrs. Thomas. If you would like to check out backpacks more often than once a month, feel free to discuss a plan with Mrs. Thomas. Mrs. Thomas's email is mthomas@gsviking.org.
